AV Technology Ltd confirms that a technical file exists for the above mentioned product which satisfactorily addresses the essential requirements of the above listed Directive(s) where they can be applied before the product is incorporated into a complete machine. Note that this product is not in itself a complete machine and so it can only fully comply with the essential requirements of the Directive(s) when assembled with the rest of the machine. The manufacturer is responsible for certifying the product and ensuring that all manufactured products are in compliance with the specifications detailed in the technical file. Certificates can be checked for validity at <http://www.avtreliability.com/ce>

Certificate Issued:

9th March 2017

Expiry Date: 31st December 2022

Signature:

W. Paul Francis
Laboratory Head

AV Technology Ltd is a Notified Body for the Machinery Directive, Outdoor Noise Directive and Recreational Craft Directives only.
